

AVerVision130 Portable Document Camera **The FIRST with 850K Resolution for under \$500!**

Give eyes to your projector!

Feature Highlights

- High Quality Color Image Sensor
- 4X Digital Zoom/Pan
- Detachable LED Light Module
- Dynamic Memory for Image Capture
- AVerVision PC Cam Applications via USB
- Supports VGA, S-Video, Composite Output, and Active VGA Pass Through

■ The AVerVision130 is the first 850K resolution portable document camera offered for under \$500! Featuring 4X digital zoom/pan, negative to positive, and black & white to color, the AVerVision130 allows you to clearly and effectively display 3D objects or documents. Portable by design yet technically powerful, the AVerVision130 supports 1024 X 768 resolution with versatile VGA, S-Video and Composite Outputs and active VGA pass through feature. Also featured are the USB PC camera and image capture functions, graphics & text enhancement, a touch button control panel with on-screen display menu, and more.
