■ The AVerVision150 is the first 3 mega pixel gooseneck portable document camera with AVERZOOM™! Providing exceptional quality and functionality while addressing tight budgets and limited resources spawned the creation of the AVerVision150. The importance of utilizing visual tools to enhance lessons and inspire students has been realized, but can be so often out of reach. The AVerVision150 combines exceptional clarity with advanced features and functions into one unbeatable value solution. Affordable, yet uncompromising, the AVerVision150 is the key to delivering powerful and inspirational presentations without sacrificing the budget.
